

EXHIBIT 10

Honorable Marilyn Lloyd

2.

We are, of course, sensitive to the concerns of both users of private land mobile radio spectrum and R/C hobbyists. We will, therefore, take into careful consideration all their comments. As you have requested, your constituents' concerns will be included in the record of this proceeding and will be considered in developing our final rules.

Sincerely,

A handwritten signature in dark ink, appearing to read "James H. Quello". The signature is fluid and cursive, with the first name "James" and last name "Quello" clearly legible.

Dear Mr. Quello:

Recently, my office has been contacted by many operators of radio controlled model airplanes concerning PR Docket 92-235. These operators feel the FCC is seeking to expand the operating conditions of land mobile radio users at their expense.

Many people in the Third District of Tennessee, which I represent, as well as enthusiasts across the country, have put much time and money into this activity. I am aware that mobile radio users are increasing, but so are the number of operators of radio controlled airplanes. This is no doubt a difficult ruling to establish, but I want to make you aware of the concerns of
